

What to bring when packing for camp!!

WHAT TO BRING: Camp Wyoba is at 8000 feet above sea level, and weather can change rapidly and drastically. Layering of clothing works best for warmth in wet or cold weather. Campers are responsible for their own belongings and marking of clothing is suggested but not required. The cabins have concrete floors and are colder than you would think, so bring warmer bedding than you think necessary.

Suggested items:

- Sleeping bag or twin bedding
- Pillow
- Toothbrush and toothpaste
- Deodorant
- Comb/brush
- Kleenex/tissues
- Shampoo/conditioner
- Soap, towel, washcloth

Clothing for a week:

- 2-3 pairs of jeans
- 4-5 shirts
- 6-7 pairs of underwear
- 6-7 pairs of socks
- Warm sleepwear
- Waterproof jacket or coat
- 2 pairs of sturdy (athletic) shoes
- Sandals or cros to wear in the shower. Floors are cold!
- Sunscreen and lip balm
- Bug repellent
- Flashlight and extra new batteries
- Camera and film
- Sunglasses, hat
- Spiral notebook, pen or pencils
- BIBLE
- Musical instrument or special props for Talent Show

Most activities take place out-of-doors, so clothing should be appropriate for outdoor Christian camping (modesty, please!).

ADVICE FOR OTHER ITEMS: Campers only have about an hour a day, during quiet time, when they are not busy doing activities. We suggest your child bring a book, journal, coloring, or music to listen to during this time.

UNDERSTANDING REGARDING CELL PHONES: We understand that many campers use their cell phone for taking pictures or listening to music during quiet time. The use of cell phones for these activities is okay. Because your child is coming to camp to get away from everyday life, we do not allow internet surfing or texting during camp activities. Please share with your kid that they should plan on making the most of camp by taking part in the activities we have prepared for them. Some camp directors may ask campers to turn in their cell phones. Cell phones will be returned at the end of camp.

PROHIBITED! AGAINST THE LAW! You might be sent home... or worse! Fireworks, matches, alcoholic beverages, illicit drugs, tobacco products, knives, guns, nuclear warheads
